REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: As stated in the Board of Appeals decision mailed 5/20/05 on pages 9-10:

"A combination of Miller and Rassman... would at best yield a system in which users would be delegated tasks or assigned to teams for performing tasks, and in which those users could monitor the availability of various resources and coordinate their use. In the cited references, the question of whether a given user should perform a given transaction is a matter of whether the user has been assigned a task (Miller) or a matter of whether appropriate resources are available (Rassman...). Neither of the references, considered alone or in combination, suggests preparing a list of incompatible transactions in accordance with predetermined rules governing business conduct, as in the present invention... the cited references do not suggest that the comparing and generating steps are automated, as in the present invention".

For the reasons above and for further reasons given in the Board of Appeals decision, the application is allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to F. Ryan Zeender whose telephone number is (571) 272-6790. The examiner can normally be reached on Monday-Friday, 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Alexander Kalinowski can be reached on (571) 272-6771. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
